

# BLUEPRINT FOR RELATIONSHIPS

GENESIS 1-2

CHRIS MUELLER

1. Marriage and relationships are a commitment designed for God by God
2. Marriage and relationships are designed for a male and a female
3. Marriage and relationships were planned to bring happiness not misery
4. Marriage must begin with leaving other relationships
5. Marriage requires an inseparable joining of a husband and wife throughout their lifetime
6. Marriage means oneness in the fullest possible sense, including intimate physical union without shame
